Your Blueprint for Contractor Coverage...

RESIDENTIAL & COMMERCIAL – HULL CAN DO IT!

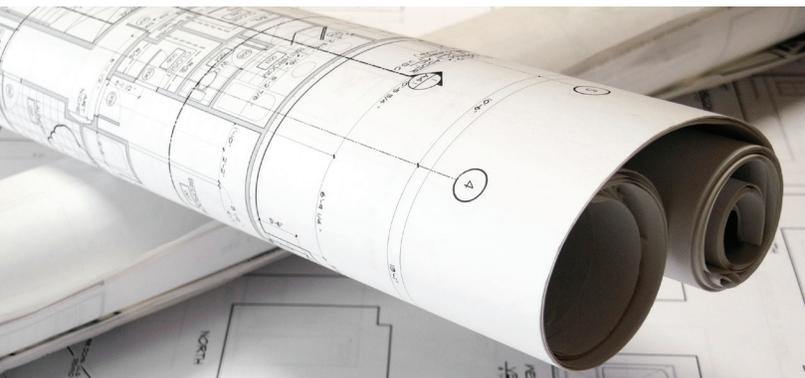

2014 is projected to be a good year for the construction industry in Texas. Office vacancies are under 18% and 6,000,000 square feet of new office space is scheduled to be built in the Dallas area. Additionally, 26% of companies recently surveyed plan on hiring new employees. Our team knows the marketplace and the carrier appetites to get your clients insured, now.

Coverage is available on many classes of business including:

- Commercial Contractors
- Custom-Home Builders
- Developers
- General Contractors
- Residential Builders and more
