With the unprecedented COVID-19 events, we hope the best for you, your families and your teammates.

Providing extraordinary service, especially in challenging times, is what we do. If there is anything we can do to assist, please do not hesitate to ask. At Hull-Texas we are prepared to provide uninterrupted services, even as most all of our team has now transitioned to work from home. We are well prepared and ready to assist you.

Given the dynamics of the 'coronavirus', we have put several measures in place for our team. These measures include work-from-home, limiting travel to critical needs only, heightening COVID-19 facts awareness, following CDC guidance and implementing appropriate social distancing.

Ask your broker about **Business Interruption/Business Income** coverage. They can help guide you through this process as you begin having client discussions.

NEW!

Hired Non-Owned Auto Market for Restaurants - Many established restaurants, reacting to current events, are likely to begin delivery services. We have a new HNOA market, even if there is no prior year(s) coverage. Ask your broker for an application, terms and requirements.

PLEASE NOTE:

We are asking agents to make payments using the online payment site at <https://hullco.epaypolicy.com/>.

Again, if we can help, do not hesitate to ask.

Be safe, stay healthy and use good hygiene.
